

APPLICATION FORM FOR SELECTED COURSES 2024–2025

The Kiel Institute offers the possibility of attending selected Ph.D. courses of its Advanced Studies Program. Participants will have to take care of accommodation themselves (the Kiel Institute can give names and prices of nearby hotels on request). Students may apply for low-price accommodation at the Institute's student residence. There is no application deadline, but early application is recommended. Participation in course exams is possible if desired (Usually universities allocate 3 credit points for a one-week course). In case of further questions please contact: advancedstudies@ifw-kiel.de
